Dear Mrs. Woodard:

We would like to thank you for all your support and interest in helping us meet our goals in serving young women. Your continued support has enabled us to meet our goals this year of serving young women from all walks of life. You, along with the *HeadZ Up!* staff, enabled AWESOME Incorporated to expand to new dimensions in our service to young women. Your participation in the recent weekend retreat at Calloway Gardens, for young women in the foster care system, was a rousing success.

The feedback from Dekalb County Department of Family and Children Services on the workshops that *HeadZ Up!* presented on Health and Wellness was very impressive. Of the sixty girls in attendance 80% rated your workshops as very good or above. Many of the young women noted that they received information that they could implement in their daily lives.

It was evident that you and your staff at *HeadZ Up!* recognized the importance of helping girls reflect about themselves by identifying creative ways to express their feelings. Your use of poetry, journal writing, drama, role-playing, dance and speak -out sessions and other creative techniques has encouraged the development of a positive sense of self for the many girls we serve. Your ability to serve girls from varied socio economic backgrounds has been most instrumental to us in the work we do with young women.

We look forward to working with both you and your organization again in the very near future. Thank you again for your continued support and dedication to our young women.

Sincerely,
