Dear Audra:

On behalf of the City of Atlanta, I would like to thank you for your hard work and dedication to the youth, particularly, the teen girls in our community. The workshops that you created through your organization, *HeadZ Up!*, have served to empower, inspire, and motivate young women throughout our city to embrace their uniqueness and take responsibility for their own actions.

With the rise of teen pregnancy today, and among other issues teens now face, you have worked with our youth to provide realistic solutions to their problems. Through it all, you have taught them the value of hard work, self-respect and self-worth in order to ensure they have a promising future.

Once again, I want to thank you for what you have provided over the years to this city. Your level of commitment is a true inspiration to young women everywhere.

Sincerely,

Shirley Franklin
