BILL CAMPBELL
MAYOR

Greetings:

As Mayor of the City of Atlanta, I am pleased to congratulate HeadZ Up! magazine as it celebrates the publication of its premiere issue.

The City of Atlanta is greatly enhanced by the countless contributions and immeasurable potential of our teen-agers. By educating and entertaining our youth, HeadZ Up! will open the doors of possibility to your readers at a critical time in their lives. Through your efforts, middle and high school students will learn to keep their *heads up* as they aspire to achieve their dreams.

On behalf of the citizens of Atlanta, I wish you much success.

Sincerely,

Bill Campbell
